

REGRESSION-RECOUPMENT SUMMARY FORM Revised 2005

Student Name: _____

Teacher Name: _____

Date: _____

	BREAK 1		BREAK 2	
	DATES: ___/___/___ TO ___/___/___		DATES: ___/___/___ TO ___/___/___	
TARGETED ESSENTIAL OBJECTIVES OR ESYP SCREENING	<u>REGRESSION-RECOUPMENT PROBLEM?</u> Was the highest post-break score lower than the pre-break average?		<u>REGRESSION-RECOUPMENT PROBLEM?</u> Was the highest post-break score lower than the pre-break average?	
	Pre-break average _____ Highest Post-break score _____ Date of final post-break score: _____/_____/_____.	<input type="checkbox"/> yes <input type="checkbox"/> no	Pre-break average _____ Highest Post-break score _____ Date of final post-break score: _____/_____/_____.	<input type="checkbox"/> yes <input type="checkbox"/> no
	Pre-break average _____ Highest Post-break score _____ Date of final post-break score: _____/_____/_____.	<input type="checkbox"/> yes <input type="checkbox"/> no	Pre-break average _____ Highest Post-break score _____ Date of final post-break score: _____/_____/_____.	<input type="checkbox"/> yes <input type="checkbox"/> no
	Pre-break average _____ Highest Post-break score _____ Date of final post-break score: _____/_____/_____.	<input type="checkbox"/> yes <input type="checkbox"/> no	Pre-break average _____ Highest Post-break score _____ Date of final post-break score: _____/_____/_____.	<input type="checkbox"/> yes <input type="checkbox"/> no
	Pre-break average _____ Highest Post-break score _____ Date of final post-break score: _____/_____/_____.	<input type="checkbox"/> yes <input type="checkbox"/> no	Pre-break average _____ Highest Post-break score _____ Date of final post-break score: _____/_____/_____.	<input type="checkbox"/> yes <input type="checkbox"/> no

___YES ___NO

Did the student have a Regression-Recoupment problem across both breaks for any skill?

___YES ___NO

Were there an equal to or greater number of 'yes' than 'no' responses checked for Regression-Recoupment problems across all breaks and skills?

___YES ___NO

Is the student eligible for the ESYP services based on a pattern of regression-recoupment problems? **(Check yes if either of the above two questions are true).**
