

Re: AHERA Management Update

To: All Parents and Staff Members of Iberville Schools

The Iberville Parish School Board has retained Wynn L. White Consulting Engineers, Inc. to re-inspect all applicable Iberville Parish School Board school facilities for the presence of asbestos containing materials. The work consisted of evaluating asbestos containing materials identified during previous inspections, identifying materials suspected of containing asbestos, sampling those materials, analyzing the samples, making a hazard assessment, making recommendations, and preparing Asbestos Management Plan updates.

The asbestos management plan for each facility is on file at Iberville Parish Central Office 58030 Plaquemine Street, Plaquemine, La. 70764 Attn: Patrick Norris / or at the following location:
